

## A Note on Our Cancellation Policy

Please cancel your reservation no later than the day before it.  
You can cancel your reservation with ease through the “Reservation Confirmation Email” that will be sent to you approx. three days prior to your reservation.

While our distillery has set no cancellation fees, etc. we conduct tours on a reservation-only basis and in small groups.  
Your understanding and cooperation would be appreciated so that as many visitors as possible can participate in those tours.
